Grainger Discount Program

Metalworking Industries Association Members

WIRE-Net
Where Manufacturing Matters

Shop with Grainger and Save

Use your association membership to save time and money getting your industrial and MRO supplies. Grainger offers a wide selection of products and services—plus technical expertise—to help take costs out of running your business.

Program Benefits

- 10% discount on all items on Grainger.Catalog
- Deeper discounts on many frequently used items, such as gloves, lubricants and cleaning supplies
- FREE Ground shipping on all Grainger Catalog Items
- Access to 900,000+ items
- More than 170,000 metalworking products from top brands
- Same-day* and next-day shipping on in-stock orders placed online or directly with your local branch
- After-hours emergencies: Call 1-800-CALL-WWG (1-800-225-5994) to open a branch any time—even nights and weekends ($50 fee may apply)

Easy Ordering at Grainger.com®

- 24/7 online ordering
- Advanced search capabilities
- Real-time product availability and order tracking
- Create and manage personal lists
- Order Management System for control and efficiency

KeepStock® Inventory Management Solutions

Grainger KeepStock inventory solutions help you organize, track and order frequently used products and supplies. Choose from a full suite of options—ranging from simple labeling and barcode scanning to mobile ordering, on-site servicing and secure dispensing—to help you save time, space and money.
Learn more at grainger.com/keepstock.

Note: Eligibility for Grainger's KeepStock solutions may be subject to certain qualifying criteria and, in some cases, agreement to certain licensing terms applicable to software use.
